

Framingham Public Schools

CHILDCARE TRANSPORTATION REQUEST FORM 2009-2010 FOR ELEMENTARY SCHOOL STUDENTS

TO BE FILLED OUT ONLY IF YOU NEED CHILDCARE TRANSPORTATION.

Parents are responsible for transportation to childcare. It is **possible** but not guaranteed that the school district may be able to transport an elementary school child to and from a childcare provider.

You must meet all the following conditions to apply for childcare transportation:

- ◆ The childcare location must be either in the transportation area of your residence or your school.
- ◆ The child must go to and/or from this location **FIVE days a week**. For the safety of the child, there are **no** exceptions to the five day rule.
- ◆ For students in grades 1 - 5 the childcare location must be more than 1 mile from the school, or more than 0.25 mile for kindergarten students.

This form must be filled out each spring to request transportation for the following school year. You will be notified by your school of the acceptance or denial of transportation. If your childcare arrangements change during the school year and bus transportation is not available to the new location, you will be responsible for providing the transportation.
